

New Location!

By Sharie Sinson, Director of Marketing, Client Relations, Vantage Financial

Ownership groups from Vantage Financial and G. Home, joined by Elm Grove Village president Neil Palmer, trustees Katy Cornell and John Domaszek and Village zoning & planning administrator Tom Harrigan, broke ground Thursday, August 12, on a development in Elm Grove that will be home to both businesses. The former Ray's Auto Body, located at 13230 Watertown Plank Road, will be renovated and become Vantage Financial's headquarters.

Vantage owners Jesse Niederbaumer, Jeremy Gardner and Andy Meyer are all enthusiastic about the project. "Living, working and contributing to our community is very important to us, and we have been looking for the right opportunity to find a permanent home for Vantage. We love the history of Ray's in Elm Grove and look forward to being here for many years," Niederbaumer says.

Meyer adds, "We are so excited to stay in Elm Grove and continue investing in this awesome community and the future of our growing company."

Home's new design center and showroom will occupy a 3,000 square foot addition on the east side of the property. Laura Goranson, G. Home owner stated, "As a local Elm Grove business, with deep roots in the community, we are thrilled to be partnering with the group from Vantage Financial on this project."

As business owner and Elm Grove Business Association president, Heather Weber adds, "We are

excited to continue to grow our business in the heart of the Village and hope that our investment in the community will further inspire additional businesses to call Elm Grove home."

Construction on the project has commenced and is slated for completion in early 2022.
